- Farbe: chrom
- ohne Glas
- GROHE Long-Life Oberfläche

Exploded view diagram of a 3000W electric heater. The diagram shows a rectangular base plate (1) with two heating elements (2) mounted on it. A control unit (3) is shown to the right, connected to the base plate by a cable. A 5mm dimension line indicates the distance between the base plate and the control unit. A circular component (4) is shown below the control unit, likely a fan or protective cover.

1: Befestigungssatz (Bestell-Nr. 40018000)
